Looks good. You might want to add who from our end will be on the call – Christina, Tom (?) and me

Neil,

I think this is all that the three of us envisioned,

Do you agree? Or do you want anything more.

Good Morning Chuck,

We would like to set up a call with you and John Abbott regarding the Thiamethoxam Colony Feeding Study. Do you both have availability this week on either Thursday or Friday? If not, any availability on Monday?

I look forward to your response,

Sincerely,

Christina Motilall
